Abstract: Section 1042 of the Dodd–Frank Wall Street Reform and Consumer Protection Act, 12 U.S.C. 5552 (“Act”), gave authority to certain State and US territorial officials to enforce the Act and regulations prescribed thereunder. Section 1042 also requires that the Bureau issue a rule establishing how states are to provide notice to the Bureau before taking action to enforce the Act (or, in emergency situations, immediately after taking such an action). In accordance with the requirements of the Act, the Bureau issued a final rule (12 C.F.R. § 1082.1) establishing that notice should be provided at least 10 days before the filing of an action, with certain exceptions, and setting forth a limited set of information which is to be provided with the notice. This is a routine

request for OMB to renew its approval of the collections of information currently approved under this OMB control number. The Bureau is not proposing any new or revised collections of information pursuant to this request.

REQUEST FOR COMMENTS: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

Dated: December 20, 2017.
